TOTAL NET INSPECTION POINTS			
		BONUS POINTS	
HELMET		TOTAL NET	

We will also inspect helmets as part of the bicycle rodeo inspection. Riders whose bicycle fail to score 100 points on the inspection may be awarded up to 10 points by having a bicycle helmet.

Example: A contestant has everything required on his or her bicycle except a bell (5 points). If that rider has a helmet, he or she can still score 100 points on the bicycle inspection.

THE MAXIMUM SCORE ON THE INSPECTION IS 100 POINTS. THERE IS NO PENALTY FOR NOT HAVING A HELMET.

The majority of bicycle accidents involving children do not occur with cars, they are the result of falls. We strongly encourage all children to wear a helmet when they ride because serious head injuries can occur when falling from a bicycle.
